## Projects

### **NoteDrinks (APP)**

**August 2013**

NoteDrinks is a mobile app for those who like to frequent bars, pubs, restaurants, etc. It creates a digital command that helps the user control the amount of drinks consumed, and even makes "drinking" more interactive by sharing everything with friends on social networks. In addition, it saves all user data, creating a consumption history.

### **Gazeta Classificados - Reestruturação completa do sistema**

**January 2013 - June 2013**

The entire core of Gazeta Classificados portal was rewritten from the ground, including the database structure, using the latest tools and technology. The focus of this restructuring was to create a development environment with a high degree of maintainability, performance and a solid foundation for future developments.

## Recommendations

### **Giovanna Rossi**

#### **Sr Product Manager - Delivery Center**

"Luan is an exceptional professional! Extremely dedicated in everything you do and take on any challenge! It keeps constant and concise deliveries, works very well in a team, has a lot of technical quality and the main, is always willing to evolve and learn more and more! Thanks for the daily changes, Luan. You are very important to our team!"

### **Marcos Castro**

#### **Tech Coordinator - Delivery Center**

"Luan's a great professional to work with. Super consistent in its deliveries, it takes the day to day with lightness and focus, with vision of the whole and perspective of the owner of the company. Assists in the technical chapter of the company bringing its innovations and approaches to share with everyone."

### **Vanessa Bacicheti**

#### **PMO Manager - Rentcars**

"Luan is a professional very easy to deal with, super committed and values quality. He has excellent technical knowledge and is always willing to teach. It's great to have Luan on the team."

### **Marcelo Szostak**

#### **Software Development Manager - Rentcars**

"Luanzito is one of the best frontend devs I've ever worked with. He has great experience and vast technical knowledge to the point of easily adapting to any development environment. Very committed to its deliveries and teamwork, it is extremely assertive and has a sense of urgency in the right measure. Something that also caught my attention when I managed him at Rentcars.com was his empathy in receiving urgent demands that required some additional efforts on a day-to-day and exemplary way. Excellent professional, I no doubt strongly recommend Luan to any company that is interested in your profile."

## **Maicon Sanson Penna**

**Front-end Developer | UI Designer - Rentcars.com**

"Luan is an experienced Front-End developer, practical, fast and analytical, who always comes up with calm, focus and ethics. I'm very proud to have worked together. I'm really telling this guy a lot."

## **Silvia Tokutsune**

**Marketing Analyst - Rentcars.com**

"Luan was from day one an exemplary and dedicated professional. I always thought 'Luan took the task, so relax!'. Too patient to explain and to listen, calm even when everything is on fire and urgent things keep coming. A guy I recommend with my eyes closed!"

## **Dirceu Wilian Camargo Conte**

**Full-Stack Developer at .NET, Node and PHP - Grupo Massa**

"Of the professionals in the front-end area, I can say that Luan is one of the most talented professionals with whom I could work. I really admire the quality of his work with his dedication to always seek excellence in the delivery of the works. To you I wish only for success!"

## **Eduardo Anselmo Fendrich**

**IT Coordinator - Gazeta do Povo**

"Luan is a responsible and competent professional. All the challenges proposed for the project layouts were overcome quickly and efficiently. He's a person I, if I could, would work on new projects."

## **Gilmar Pupo**

**IT Coordinator, Chief Technology Officer - Sépha Perfumaria**

"Luan was a fantastic person to work with. Wise, responsible and hardworking web developer. Although extremely technically minded Luan has the ability to communicate with simple, friendly language with a great sense of humor."

## **Felipe Klos**

**Strategic Marketing Analyst - WB4B/C' Negócios Online**

"Luan is a professional who has great communication skills and understanding of the business in which he is inserted, which differentiates him from the professionals in his market."

## **Bruno H. de Almeida**

### **Online Media and Qualified Traffic Manager - Sépha Perfumaria**

"I would like here to highlight the quality of professional Luan Semensato, I already had the opportunity to work in the e-commerce market with him, we were from the same team, where we developed projects together. He has always been this dedicated and innovative professional, attentive to ideas and without fear of criticism. So I didn't think twice about who would produce my company's website (Evidence Digital), the satisfaction for the project developed by him was very great, I'm happy to be able to count on Luan for all areas of Front End and Web Designer, really he is very good at what he does."

## **Katia Jensen**

### **Strategic Product Marketing - Sépha Perfumaria**

"Luan was never accommodated, always was willing to study how much was necessary to deliver the best solution. It is always tuned to the news of our world of technology, is proactive and friendly to all. A person who aggregates any team, because he is not afraid of change, is a companion and runs behind to suit and give his best."

## **Andressa Cordoni Savi**

### **Strategic Marketing Analyst - WB4B/C' Negócios Online**

"Luan is a professional who is always looking for knowledge and development, an easy person to work with because he has great communication, is cordial and always seeks the best solution collectively."

## **João Arthur Germano**

### **Social Commerce Analyst - WB4B/C' Negócios Online**

"Luan is a professional I want to be able to count on again in the future, taking me wherever I go as a business partner. He's agile and committed. If at some point he does not know how to do something, this is no reason for despair, he studies until he learns and gives his best to make the result even better than expected. You know how to innovate and suggest, being proactive in the right way, so that at some point you can even say "do it the way you know." and the result won't disappoint you."
